CIRUIT

A monthly **club night** who's central idea is a worldwide underground. Bringing together different communities, artists, performers in an ever changing circuit of venues, places and faces. Circuit is a takeover concept wherein every month a different host/club night does a takeover of circuit. Never the same host, never the same venue.

The Posters

The second poster will feature an artifact relating to each club night. Imagine a relic of the past on a gallery wall or in a museum of the future.

CIRCUIT | 01

COVEN

A club night featuring an eclectic line-up of witches, performance artists, rituals, soundscaping, witch house and techno DJs. A homage to the esoteric community, the energy workers and the mystic underground.
